

## Press Release

August 12, 2008

*Spry Methods, Inc. Awarded Contract by US Department of Housing and Urban Development*

Spry Methods, a leading Financial Management, ERP/IT Services, and Lean Transformation company has been awarded a contract to perform work measurement studies for the Office of Public and Indian Housing (PIH). With input from the Office of Budget and PIH, Spry Methods will conduct a study to determine the resource requirements of Asset Management in the Field. Upon briefing HUD personnel, a final report will be prepared and disseminated to the Chief Financial Officer and the Assistant Secretary for Public and Indian Housing.
