Spry Methods, Inc. contributes to the Hokie Spirit Memorial Fund

After the events that took place at Virginia Tech on April 16th, Spry Methods, Inc. made a pledge to match our employees' donations to the Hokie Spirit Memorial Fund. Our employees took the initiative to collect contributions from fellow workers, friends and family members who felt compelled to support this worthy cause. The generous donors who participated in this fundraising effort included Virginia Tech Alumni, relatives of Virginia Tech Alumni, the Spry Methods family, friends, and colleagues, who were affected by this tragedy.

"We at Spry Methods were moved by what happened and how the Virginia Tech Community rallied together to support each other. We sincerely hope that our donations will help the victims of this unfortunate event, their families, and the entire Virginia Tech Community, heal from this tragedy." said Ted Ahn, Co-President & CEO.
