Spry Methods, Inc. Awarded SeaPort-e Contract

Spry Methods, a leading Financial Management and IT Services company, has been awarded the SeaPort-e contract in all 7 zones across the United States. The government estimates a maximum of \$5,300,000,000 of services will be procured per year via orders issued under the SeaPort-e multiple award contracts. The award has a two-year base period with one five-year award term and one additional three-year award term. Contract funds will be obligated at the time of task order award and as such, multiple funding types (with varying expiration dates) may be used, consistent with the purpose for which the funds were appropriated. The Naval Sea Systems Command, Naval Surface Warfare Center, Dahlgren Division, Dahlgren, Va. is the contracting activity (N00178-07-D-4920 through N00178-07-D-5310).

The SeaPort-e contract enables Spry Methods to compete for service requirements solicited by Naval Sea Systems Command, Naval Air Systems Command, Space and Naval Warfare Systems Command, Naval Supply Systems Command, Military Sealift Command, Naval Facilities Engineering Command, Strategic Systems Programs, and the United States Marine Corps.

The 22 functional service areas within the scope of the contracts include:

1. Research and Development Support.
2. Engineering System Engineering and Process Engineering Support.
3. Modeling, Simulation, Stimulation, and Analysis Support.
4. Prototyping, Pre-Production, Model-Making, and Fabrication Support.
5. System Design Documentation and Technical Data Support.
6. Software Engineering, Development, Programming, and Network Support.
7. Reliability, Maintainability, and Availability Support.
8. Human Factors, Performance, and Usability Engineering Support.
9. System Safety Engineering Support.
10. Configuration Management Support.
11. Quality Assurance Support.
12. Information System Development, Information Assurance, and Information Technology Support.
13. Inactivation and Disposal Support.
14. Interoperability, Test and Evaluation, Trials Support.
15. Measurement Facilities, Range, and Instrumentation Support.
16. Logistics Support.
17. Supply and Provisioning Support.
18. Training Support.
19. In-Service Engineering, Fleet Introduction, Installation and Checkout Support.
20. Program Support.
21. Functional and Administrative Support.
22. Public Affairs and Multimedia Support.

"This [award] is a significant win for the company as it expands our reach beyond the Washington DC area to Navy and Marine Corps. commands located across the United States. As a prime, SeaPort-e contractor, we can now take advantage of our small business size, while continuing to team with industry leaders such as BAE to deliver innovative and cost-effective solutions for our customers." said Ed Kim, Co-President & CEO.
